

What Is Global Education Week?

- An international week promoting awareness of global issues.
- Encourages students to think about the world, human rights, and cooperation.
- Theme this year: Respect & Equality.

What Does “Respect” Mean?

- Treating everyone with dignity.
- Listening to others and accepting differences.
- Understanding cultural diversity.
- Rejecting bullying and discrimination.

Examples of Respect

- Being kind in conversations.
- Using respectful language online and offline.
- Celebrating different cultures.
- Helping others feel included.

What Does “Equality” Mean?

- Equal rights and opportunities for all people.
- No judging based on race, gender, religion, wealth or disabilities
- Fair access to education and safety

Examples of Equality

- Everyone having a chance to succeed.
- Supporting classmates who struggle.
- Fighting stereotypes.
- Creating inclusive schools.

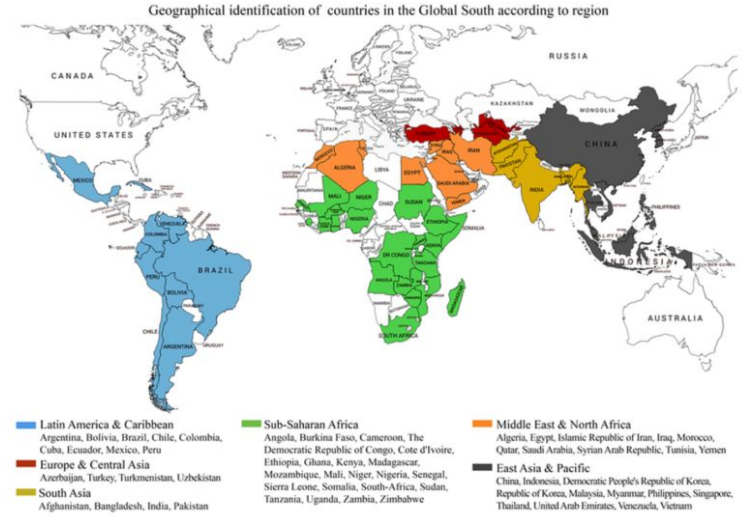

Why Respect & Equality Matter

- They reduce conflict and violence.
- They build safe, peaceful communities.
- They help us work together globally.
- They support human rights.

Global Challenges

- Inequality in education around the world.
- Discrimination and hate speech.
- Migration and cultural misunderstandings.
- Poverty and lack of opportunities.

How Schools Can Help

- Teaching empathy and cooperation.
- Encouraging teamwork in diverse groups.
- Celebrating cultural diversity days.
- Anti-Bullying programs.

What Students Can Do

- Be kind and inclusive.
- Learn about other cultures.
- Speak up against discrimination.
- Join global projects (posters, campaigns, volunteering).
